DECISION	<p>The Sub-Committee has read the material presented to us and has listened to all the evidence and submissions. The Sub-Committee has considered the Licensing Act 2003, the National Guidance, their Statement of Licensing Policy and has decided:</p> <p><u>To issue</u> a counter notice (prevent the temporary event)</p>
REASONS FOR DECISION	<p>The Sub-Committee has decided to issue a counter notice because they consider it to be appropriate for the promotion of the crime prevention objective.</p> <p>In making this decision the Sub-Committee has taken into account the following evidence relating to the crime prevention objective:</p> <ol style="list-style-type: none"> 1. The Sub-Committee were mindful of the confusion that may have arisen due to the administrative error that lead to the Applicant having contradictory licensing hours between October 2016 and February 2017, however it is confident that the majority of the breaches contained within the police representations occurred after this position was rectified,

	<p>namely February 2017 onward.</p> <p>2. The Sub-Committee had regard to the volume and nature of the breaches contained within the police representations and was confident that should the temporary event be allowed to proceed, the prevention of crime licensing objective would be put at significant risk.</p> <p>3. The Sub-Committee had regard to the Applicant's representations, and despite his assurances that he would be able to promote the licensing objectives, in particular the prevention of crime licensing objective, the Sub-Committee were not convinced, given the evidence before it, that he would be able to do so to the required standard.</p>
