TITLE OF INFORMATION NOTE : GREEN SPACE MANAGEMENT STRATEGY

INFORMATION NOTE OF THE HEAD OF LEISURE AND ENVIRONMENTAL SERVICES

EXECUTIVE MEMBER: EXECUTIVE MEMBER FOR LEISURE

1. SUMMARY

- 1.1 This information note details the steps taken and the progress made in identifying interested groups and organisations to safely provide play area facilities previously provided by the Council.

2. STEPS TO DATE

2.1 CABINET

At the 24 January 2017 Cabinet meeting the following was:

RESOLVED:

- (1) That the results of the consultation, as identified in the body of the report, be noted, and that it be further noted that Cabinet was satisfied that demographics and size of the focus groups were appropriate for the type of consultation, and that the views of young people and children who were the main users of these facilities had been included in the consultation results;
- (2) That the draft new Green Space Management Strategy (GSMS) 2017 – 2021, as attached at Appendix A to the report, be formally adopted;
- (3) That it be noted that, prior to removing facilities identified in the Strategy, the Council shall allow up to 1 March 2018 for interested parties to put forward sustainable proposals that would fund both the capital and revenue requirements to safely continue to provide such facilities, and that a proactive approach be adopted in seeking community groups to take on facilities, including advertising that support would be offered to guide groups through the process, particularly through use of social media;
- (4) That the work programme in the new Green Space Management Strategy be incorporated into the 2017/18 budget setting process; and
- (5) That, so far as Cabinet's authority is required in respect of any variation to the contract with the Grounds Maintenance contractor, to give effect to any future revenue saving options identified within the GSMS, such authority be delegated to the Head of Leisure and Environmental Services, in consultation with the Executive Member for Waste, Recycling and Environment.

REASON FOR DECISION: To best enable the retention of the green space within the budgets available to the Council.

2.2 OVERVIEW & SCRUTINY

On the 15 February 2017 Overview & Scrutiny received a call-in of the decisions made by Cabinet on 24 January 2017 – Review of Green Space Management Strategy and it was:

RESOLVED:

- (1) That the decisions made by Cabinet on 24 January 2017 regarding the Review of the Green Space Management Strategy not be referred back to Cabinet;
- (2) That the Head of Leisure and Environmental Services be requested to produce a report detailing the steps taken and the progress made in identifying interested groups and organisations to safely provide facilities and present it to this Committee at the meeting due to be held on 18 July 2017;
- (3) That the Head of Leisure and Environmental Services be requested to produce a report detailing the steps taken and the progress made in identifying interested groups and organisations to safely provide facilities, together with details of play areas that have not attracted any interested groups and would likely close following the deadline of 1 March 2018 and present it to this Committee at the meeting due to be held in March 2018.

REASON FOR DECISION: To enable the Overview and Scrutiny Committee to consider the Call - In of decisions made by Cabinet on 24 January 2017 regarding the Review of the Green Space Management Strategy.

2.3 LOCAL GOVERNMENT OMBUDSMAN.
