1.0 INTRODUCTION

1.1 This document states North Hertfordshire District Council's policy on the regulation of Street Collections. District Councils, and other specified authorities, may make regulations in respect of Street Collections by virtue of the Police, Factories, etc. (Miscellaneous Provisions) Act 1916, as amended by the Local Government Act 1972.

1.2 The Objectives of this Policy

1.2.1 This Policy has been adopted with view to securing the following objectives:

- (i) To enhance the towns centres of Baldock, Hitchin, Letchworth Garden City, and Royston;
- (ii) To ensure that promoters and collectors are properly authorised;
- (iii) To ensure that the money collected is done so in a secure way and the total proceeds collected are properly accounted for; and
- (iv) To minimise nuisance to residents and visitors to the District of North Hertfordshire

1.3 The Law

1.3.1 It is unlawful in the United Kingdom to collect money or sell articles, for the benefit of charitable or other philanthropic purposes, on any street or public place other than in accordance with regulations made by a local authority such as North Hertfordshire District Council.

1.3.2 A 'street' is defined as '*any highway and any public bridge, road, lane, footway, square, court, alley, or passage, whether a thoroughfare or not*'.

1.3.3 A 'public place' is defined as a '*place where the public has access*'.

1.3.4 It is often assumed that collections can be held in shop doorways or car parks without a permit because they are being held on privately owned land and so do not constitute a street or public place. This is not the case as the legislation does not mention the ownership of the land or treat collections on privately owned land as exempt from the regulations. Indeed a street or public place could be indoors, for example the communal area of a shopping arcade or shopping centre.

1.3.5 Local authorities issue Street Collection Permits under Section 5 of the Police, Factories, etc. (Miscellaneous Provisions) Act 1916, as amended by the Local Government Act 1972. This type of licence does not attract an application fee but typically councils impose the following types of restrictions:

- (i) Street collections are usually to be made by charities only;
- (ii) Collections are to take place in town centres only;
- (iii) Money is to be collected in appropriate vessels only; and
- (iv) The person organising the collection is required, after it has taken place, to make a statement to the licensing authority as regards the sums received.

1.3.6 The purpose of these restrictions is to ensure that collectors are properly authorised, that donations are receipted and stored in a secure way, and that the total proceeds are properly accounted for. Additionally, councils often impose limitations on how many Street Collection Permits will be granted for a specific area at any one time. This is to prevent collections from becoming a public nuisance.

1.4 Policy Duration

1.4.1 This Policy will take effect from 1 January 2018 and will be kept under review and amended as and when necessary to reflect changes in legislation, case law, statutory guidance and best practice.

1.4.2 Administrative amendments to this Policy, required by virtue of legislative changes, revised statutory guidance or a Council restructure, may be made by the Licensing Manager. Amendments under this section are restricted to those required to accurately reflect the current legal or administrative position rather than amendments that change the focus of local policy.

1.4.3 The Policy will be periodically reviewed to ensure it remains fit-for-purpose and either amend where necessary or approved for continuation by the Executive Member for Housing and Environmental Health, save for subsection 1.4.4.

1.4.4 In the event of any significant amendment to the Policy, a full public consultation will be undertaken prior to consideration by the Licensing and Appeals Committee who will make a recommendation for consideration by Cabinet.

For the purpose of this section, a significant amendment is defined as one that:

- (i) will have significant financial impact on applicants, licence holders or the public;
- (ii) will have a significant procedural impact on applicants, licence holders or the public; or
- (iii) may not be perceived by the trade or the public to be consistent with the policy objectives set out in section 1.2 above.

2.0 APPLICATIONS FOR A STREET COLLECTION PERMIT

2.1 Advice for New Applicants

2.1.1 New applicants are advised to contact the Council at their earliest opportunity, preferably before an application is made. This allows the authorised officers to provide advice, as well as clarifying any areas of uncertainty.

2.2 Applications

2.2.1 All applications must be made on the Council's prescribed application form and can be made either electronically or by hard copy.

2.2.2 Applications must be received at least **fourteen (14) days** before the requested collection date. In **exceptional** circumstances such as a national emergency or the unforeseen urgent need of a local charity, an application may be accepted with only **seven (7) days** notice at the discretion of the Licensing Manager.

- 2.2.3 The application form will need to include the location from which they would like the collector(s) to be located (including an alternative in the case of a collection already being authorised in that location) during the date/time of the collection and the number of collectors to be used. The locations for the allocated collection points can be found at **Appendix B** to this policy.

2.3 Processing of an Application

- 2.3.1 On receipt of the application form, an acknowledgment will be sent to the applicant. Once the application has been determined, the applicant will either receive a permit or a letter explaining the reason why the application has been refused.
- 2.3.2 If you make your application electronically, tacit consent will apply. If a valid electronic application is received and not determined within a specified period, the application will be deemed to be granted. Further details of tacit consent and timescales are available on the Council's website.
- 2.3.3 The permit issued will designate the area that the permit applies to and the number of collectors permitted for the duration of the collection period.

2.4 Key Considerations

- 2.4.1 In addition to the requirements of the Regulations contained with **Appendix A**, the Council has the following policy regarding the grant of Street Collection Permits:
- (i) The Council will grant Street Collection Permits only in respect of the town centres of Baldock, Hitchin, Letchworth Garden City, and Royston.
 - (ii) A maximum of two (2) Street Collection Permits will be granted in the same town centre on the same date.
 - (iii) Collections will ordinarily be expected to take place between the hours of 10:00hrs and 18:00hrs.
 - (iv) The use of animals in conjunction with street collections will not ordinarily be permitted, however, consideration will be given to the use of animals on request where integral to the charitable organisation (for example, guide dogs when collecting for Guide Dogs for the Blind).
 - (v) Deductions for travel expenses to and from the place of collection are not ordinarily allowed.
 - (vi) Moving collections, such as carnival processions and other similar events, which involve collecting from the public along a route, will require a Street Collection Permit. These permits, however, may be granted in addition to those specified in sub-paragraphs 2.4.1 (i) and 2.4.1 (ii) above.

3.0 REGULATIONS PERTAINING TO STREET COLLECTIONS IN NORTH HERTFORDSHIRE

- 3.1 On 21st March 1974, North Hertfordshire District Council adopted the Model Street Collection Regulations made under The Charitable Collections (Transitional Provisions) Order 1974. Paragraph 5 of this Order provided for the Model Street Collection Regulations, if adopted, to be deemed to be street collection regulations

made under section 5 of the Police, Factories, etc. (Miscellaneous Provisions) Act 1916.

3.2 Having reviewed the Model Street Collection Regulations adopted on 21st March 1974, the Council are satisfied that they are still relevant and appropriate for street collections in North Hertfordshire.

3.3 The Model Street Collection Regulations, applicable to all Street Collection Permits issued by North Hertfordshire District Council, are presented in **Appendix A**.

4.0 ENFORCEMENT

4.1 It is recognised that well-directed enforcement activity by the Council benefits not only the public but also responsible permit holders.

4.2 In pursuing its objectives as detailed in this Policy, the Council will operate a proportionate enforcement regime in accordance with the Council's Housing and Public Protection Statement of Enforcement Policy and Practice.

5.0 DEPARTURE FROM POLICY

5.1 In exercising its discretion in carrying out its regulatory functions, the Council will have regard to this policy document and the objectives set out therein.

5.2 Notwithstanding the existence of this Policy, each application or enforcement measure will be considered on its own merits with regard to the licensing objectives. **However, it is likely that departures from policy will be restricted to exceptional circumstances, not used to circumvent the reasonable requirements of the Policy.**

5.3 Substantial departure from Policy

Where it is necessary for the Council to depart substantially from this Policy, clear and compelling reasons for doing so must be given. The Head of Housing and Public Protection may authorise a departure from the Policy in accordance with this section if he/she considers it necessary in the specific circumstances and will advise Councillors of such decisions via the Members Information Service (MIS).

5.4 Minor departure from Policy

Where an applicant is able to demonstrate that a minor departure from this Policy, based on the individual circumstances of that application, would still ensure that the policy objectives are achieved, the Licensing Manager may authorise a licence to be issued.

6.0 FEES AND CHARGES

6.1 North Hertfordshire District Council makes no charge for the processing of a Street Collection Permit.

6.2 The Council will, however, make a nominal charge for the production of replacement Permits.
