

PROPOSED AMENDMENT TO ITEM 8 – REVENUE BUDGET BY THE CONSERVATIVE GROUP

Council 11.02.21 – Agenda Item 8 – Proposed Amendment

Following the presentation to Overview & Scrutiny from Survivors Against Domestic Abuse (SADA) and the valuable contribution they are making during these difficult times I would like to propose the following amendment:

That an allocation of £100k is made to SADA to assist with providing safe havens for those suffering from domestic abuse by providing longer term security against homelessness.
