Dear Sir / Madam,

Outline Application: Outline planning application for residential development of up to 42 dwellings, all matters reserved but access (as amended by plans and information received 09-06-2020, 23-07-2020 and 10-12-2020).

Land Between Croft Lane Norton Road And, Cashio Lane, Letchworth Garden City, Hertfordshire.

Following review of the published committee report, it has been brought to my attention that the policies section has been erroneously omitted between my final draft and upload to the website.

Consequently, please find appendix 1 (below) to the committee report, listing the applicable policies and the status of the Emerging Local Plan. This would fit in between section 1.0 – Relevant History, and section 2.0 of the report – Representations.

Kind Regards,

Sam Dicocco
Senior Strategic Sites Officer

2.4 North Hertfordshire Draft Local Plan 2011-2031

This report considers and takes account of the Emerging Local Plan policies as modified by the Local Plan Examination Inspector. The Inspectors Schedule of Modifications for the Emerging Local Plan was published on 19th November 2018. The modifications were considered by the Councils Cabinet on 10th December, where-in the progress of the new Local Plan was noted, the range of additional documentation produced for the Examination to date under the delegated powers granted by Full Council on 11 April 2017 was noted and endorsed, and approval was granted to conduct a six-week consultation on the Inspector's proposed Main Modifications to the Plan, to include consultation on the associated sustainability appraisal as well as relevant additional documentation. The consultation on the main modifications ended 11 April 2019. Inspector letters were received and responded to in the months July through to December 2019. Hearings were scheduled for March 2020 in a letter dated January 2020, with matters, issues and questions specified. These hearings were rescheduled and ended in February 2021. Main modifications resultant from the most recent round of hearings are being produced, and will be consulted on as soon as is possible. No further hearings are considered likely. Any matters raised as a result of the consultation to take place will likely be considered under written representations.
