<b>DECISION</b>	<p>The Sub-Committee has read the material presented to it and has listened to all the evidence and submissions. The Sub-Committee has considered the Licensing Act 2003, the National Guidance, their Statement of Licensing Policy and has decided:</p> <p><b><u>To issue</u> a counter notice (prevent the temporary event)</b></p>
<b>REASONS FOR DECISION</b>	<p><b>The Sub-Committee has decided to issue a counter notice because they consider it to be appropriate for the promotion of the prevention of crime and disorder objective, the public safety objective, the prevention of public nuisance objective and the protection of children from harm objective.</b></p> <p>In making this decision the Sub-Committee has taken into account the following evidence:</p>

	<ol style="list-style-type: none"> <li>1. It became apparent during the course of the hearing that the Applicants wished to amend the nature of their application, and as such agreed that a counter notice should be served in relation to the currently applied Temporary Event Notice.</li> <li>2. The Applicant's representative accepted that in its current form, it would have been impossible to control the number of people in the area of the Temporary Event Notice, and therefore could not have maintained it under 499 people at any one time.</li> </ol>
<b>CONDITIONS</b>	None
<b>POLICE CLOSURE POWERS</b>	<p>The Sub-Committee notes that the Police have powers to close premises for up to 24 hours. They may exercise these powers when a temporary event notice is in effect and they are satisfied the event is disorderly, likely to become disorderly or causing nuisance as a result of noise from the premises. Such orders may only be made where it is appropriate in the interest of public safety in cases of disorder or to prevent nuisance in the case of noise coming from the premises.</p>
