#### LICENSING POLICY CONSIDERATIONS

The Sub-Committee has taken into account the North Hertfordshire District Council's Statement of Licensing Policy in reaching its decision. It has found the following sections to be of particular relevance in reaching this decision.

Sections B6, B7, B8, D1.5, D1.6, D1.8, D1.9, D2.1, D2.4, D2.5, D2.6, D2.9, D6.2, D6.3, D6.7, D6.8, D6.9, D8.1, D8.2, D8.3, E2.1, E2.4.1, E2.7.1, E3.1.1, E3.3.1, E3.8.1, E3.8.2, E3.9.2, E4.1, F4.1, F8.1, F8.2, F8.3, G1.1, G1.2, G1.3, G2.1, G2.2, G2.3, G2.6, G2.11, G6.1.1, G6.1.2, G6.1.3, G6.3.1, G6.3.2, G6.3.3, G6.3.4, G6.6.1, G6.6.2, G6.6.3, G6.6.4, G6.6.5, G6.6.6, G7.6.1, H2.1, H2.2, H2.3 and O1.1

## RATIONALE FOR DECISION

- 1. The Sub-Committee considered the representations of all of the interested parties and were sympathetic to the concerns raised by those present. However, the Sub-Committee were satisfied that the Applicant had engaged specialist advice covering a range of different areas, and were able to provide the Sub-Committee with answers that satisfied it that the granting of the licence would not jeopardise the promotion of the licensing objectives.
- 2. The Sub-Committee were reminded of the council's statement of licensing policy, and in particular Section G2.11 stating that where the Council determines that the operating schedule is not drafted with sufficient certainty, the application will normally be refused, save for exceptional circumstances.

The Sub-Committee did determine that the Event Management Plan was not drafted with sufficient certainty in its current form, however, the assurances given by the Applicant that it would evolve over time into a sufficiently certain document, coupled with the inclusion of condition 7 of the Revised Application stating that, in the event of any responsible authority advising the licensing authority that the final version of the Event Management Plan did not fully satisfy their reasonable requirement, then the event would not proceed until such times as those requirements were met, gave the Sub-Committee sufficient assurance that a final version of an Event Management Plan would be sufficient to promote the licensing objectives and was therefore an exceptional circumstance as envisaged in the licensing policy.

- 3. The Sub-Committee were reassured by the assurances given by the Applicant that the event was aimed at a family audience and that there would be a strict no admittance policy once patrons left the site.
- 4. The Sub-Committee felt that the concerns raised by the interested parties around the potential for noise nuisance coming from the event were valid, however the Sub-Committee were again reassured by the engagement by the Applicant of a well known noise specialist and that granting the licence would not put at risk the licensing objective of prevention of public nuisance.
- 5. The Sub-Committee were minded that the responsible authorities, who are the experts in their respective fields, had not proceeded with representations against the application and it can therefore be assumed that they have no concerns with the revised application.
- 6. The Sub-Committee were concerned that the current traffic management plans were not very robust; it was therefore felt that an additional condition to address a particular concern was appropriate to promote the licensing objectives.

### COMMENCEMENT DATE

This licence will come into effect from the date of this decision.

# RIGHTS OF REVIEW

At any stage, following the grant of a premises licence, a responsible authority, such as the Police, or any other person that is affected by the application may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives. The review is a request for the Council to look at the existing licence and decide whether its conditions are adequate to meet the four licensing objectives defined under the Licensing Act 2003.
