

Replacement for Portacabin at Royston Golf Club (DBA)

VENUE	OUTCOME
Café at Royston Heath	Visited in 2021, area to be hired contains the coffee machine so café staff would still need access to the room all day. This would create noise from the coffee machine and hamper us maintaining the secrecy of proceedings.
Royston Fire Station	Concerns raised over Voters leaving cars parked in a manner which may block access/exit by Fire Services in an emergency
Tannery Drift School	Declined booking stating they did not have a space suitable and they had concerns about allowing general public into the school when they are trying to keep Covid out of the school
The Old Bull Inn Royston	The function room is upstairs, accessed via stairs, no disabled access. They would not consider hiring bar area due to loss of revenue
Royston Bowls Club	Unavailable - the bowling season will have started and it is County Singles at that time we wish to hire.
Royal British Legion	Can accommodate our booking - outside polling district - deemed too far distance.
Army Cadet Hut	Dark and damp inside. Building holds weapons and ammunition. Small car park, considered unsuitable due to risk to staff and public with weapons on premises.
Kingdom Hall Royston	Haven't returned a response to enquiries in 2021/2022.
Royston Museum	Suitable location and facilities.
Portacabin (former Morrisons car park)	Enquiries made of landlord to seek permission. Disregarded in favour of permanent facilities at museum
