

**Replacement for the Pod at Northfields Letchworth (CAA & CAC)**

<b>Venue</b>	<b>Outcome</b>
Standalone Farm	Refused booking. Lack of parking facilities also.
	Spoke to the Manager, they don't think they have the space to accommodate us.  It is a court ordered contact centre for estranged parents to meet their children under supervised access from a court order, they are over subscribed.  Advised to contact HCC to ask if we could use the building. Email from HCC to say our enquiry has been passed to the Managing Agents Carter Jonas 19/1/22
Noel Family Centre	No response received
Grange Baptist Church	Unavailable - already have regular groups that use the hall
Grange Academy	No spare room available to hire.
Scout Hut at Grange Academy	No parking facilities and the hall sits within gated school grounds, which we have not been given permission to access throughout the day
Grange Community Centre	Consider visit to view hall and make 2 Polling Stations into 3. Risks associated with 3 Polling Stations in one building and is outside polling district
Grange Youth Wing	Used by Tinyhands pre-school and they don't wish to hire to us, disruption to children and parents, having to remove confidential info about children before hire and move toys out of way
Bowling Club at Norton Common	Not accessible easily from the Polling District at night for pedestrians and outside Polling District, no disabled access
Outdoor Swimming Pool	Outside Polling District and other than changing rooms would not have a room available to hire
Former Childrens Home Wilbury Road	No response
Community Centre at Norton Methodist Church	Not available
Land at rear of Principal Court	Room uninhabitable and siting portacabin not an option due to terms of lease on land
Kingdom Hall Letchworth	Unlikely to hire to us
Main hall at St Georges Church, Letchworth	Suitable for use. Is outside polling district but only just and represents best option with central location across whole Polling District
