

APPROVED PLAN

Drive surface to be agreed with LPA. Propose granular surface eg. gravel or chippings rolled into tarmac.

Existing hedgerows to be retained and protected during the course of development to satisfaction of LPA. New hedgerows to be planted in mixture matching existing for continuity.

Retain four trees (one walnut and three sycamores) which are behind existing bank of soil (to be levelled out). Protect existing trees during course of development to satisfaction of LPA.

Proposed new trees marked by +. Species to include: Oak, Ash, Hawthorn, Field maple, Wild cherry, Mountain ash,

and other smaller, ornamental cultivars of indigenous species closer to the properties.

Propose areas of shrub/ground cover planting adjacent to properties.
