This is the current approach unless there is an emergency. Cabinet to consider as part of how to better engage with scrutiny.	Cabinet		
20	The scrutiny chair or their representative should attend all cabinet meetings to present scrutiny findings, particularly to enable the thinking and debate around the recommendations to be clearly communicated with the cabinet to maximise the impact scrutiny can have on decisions. 24	Split finance scrutiny from audit and risk. The scrutiny of finance should sit with a scrutiny committee rather than in the audit and risk committee.	The reasons behind the recommendation are understood, but considered premature. Given the various recommendations that need to be implemented in respect of Overview and Scrutiny Committee it is perhaps not the best time to be giving the committee additional work.	Leader Deputy Leader Managing Director SD Legal and Community SD Resources		
		Equally the introduction of an independent member and the various recommendations that need to be implemented in respect of Finance, Audit and Risk Committee, should improve, and enhance that Committee.			
		This recommendation will therefore be revisited in 18 months as part of a wider review of structures post 2024 election.			
25	After the audit and risk function had been split from the finance (scrutiny) role, the new audit committee should focus on understanding their audit role and undertake a self-assessment of the role of an effective audit committee.	To be considered as part of the wider review of structures post 2024 election.	As above
