Introduction

This plan supports the Council's Fraud Prevention Policy (including fraud, corruption, money-laundering, bribery and tax evasion) by ensuring that the Council, working in partnership with the Shared Anti-Fraud Service (SAFS), has in place effective resources and controls to prevent and deter fraud as well as investigate those matters that do arise.

The Council's Fraud Prevention Policy applies to all staff, elected members, agency staff, temporary staff, volunteers, consultants, contractors and partners and states;

You must:

- **Be aware of the definitions in relation to fraudulent and related activity, including the various criminal offences they include**
- **Not commit any of the offences detailed**
- **Report any suspicions of these offences being committed**
- **Develop (where applicable to role) and fully comply with policies and processes to reduce the risk of these offences being committed**
- **Disclose any gifts and hospitality that you receive, in line with other policies**

This plan includes objectives and key performance indicators that support the Councils strategy and follows the latest best practice/guidance/directives from the National Audit Office (NAO), Local Government Association (LGA) and the Chartered Institute for Public Finance and Accountancy (CIPFA).

National Context.

In 2013 the National Fraud Authority stated that the scale of fraud against local government “is large, but difficult to quantify with precision”. Since 2013 a number of reports have been published including by CIPFA, NAO and MHCLG stating that the threat of fraud against local government is both real, causes substantial loss (including reputational, service as well as financial) and should be prevented where possible and pursued where it occurs. The latest annual estimates of fraud risk to local government exceed £7bn.

The Fighting Fraud and Corruption Locally, A Strategy for the 2020’s, published in March 2020 is supported by CIPFA, the LGA, SOLCACE and a number of External Auditors. A copy of the Strategy can be found at <https://bit.ly/3p5Rr98>

The new Strategy compliments work undertaken in 2019 by CIPFA, NAO and Cabinet Office as well as the *Code of practice on managing the risk of fraud and corruption* CIPFA 2015 adding ‘Pillars’ of **Governance, Acknowledge, Prevent & Pursue** with an overarching **Protect**:

Governance: Having robust arrangements and executive support to ensure anti-fraud, bribery and corruption measures are embedded throughout the organisation. Ensuring a tone from the top.

Protect: Against serious and organised crime, protecting individuals from becoming victims of crime and protecting against the harm that fraud can do to the community.

For a local authority this will also cover protecting public funds, protecting its organisation from fraud and cybercrime and also protecting itself from future frauds.

Anti-Fraud Plan 2022-2023

The Councils Anti-Fraud Plan will be over-seen by the Shared Anti-Fraud Service (SAFS) but officers at all levels across the Council will have responsibility for ensuring that the plan is delivered.

The Anti-Fraud Plan highlights specific areas of work to protect the Council against fraud and corruption. The Council also has a duty to protect the public and it does this through its work across all services in particular, by sharing information and knowledge through communications either directly or via its website. The Council has frameworks and procedures in place to prevent fraud and encourage staff and the public to report suspicions of fraud through a number of channels.

The Anti-Fraud Plan for 2022/23 follows the guidelines and checklist contained in the Fighting Fraud and Corruption Locally Strategy and progress against this will be reported to senior management and the Councils Audit and Governance Committee. A full breakdown of planned activity to protect the Council can be found at **page 7**.

SAFS Resources 2022-2023

Anti-Fraud Arrangements

North Hertfordshire District Council is a founding member of the Hertfordshire Shared Anti-Fraud Service (SAFS) and this service has provided the majority of the anti-fraud arrangements for the Council since April 2015. In 2019 the SAFS Partnership won the '*Outstanding Partnership*' award at the Tackling Economic Crime Awards (TECAs) and in 2020 the TECAs award for '*Outstanding Professional in Counter Fraud*' was won by a member of the SAFS team

SAFS is a Partnership with each organisation paying a fee for Hertfordshire County Council to provide a contracted service across the Partnership. SAFS, as a service, has a number of key objectives developed by its Management Board (the Board) and every Partner has a seat on the Board. For the North Hertfordshire District Council the Service Director: Resources is the Board representative.

Although SAFS provides much of the Councils operational counter fraud work Council officers are responsible for ensuring the policies, procedures, training and appropriate resources are in place to protect the Council from fraud, corruption and bribery.

Budget

In December 2021 the SAFS Board agreed to increase the fees for all Partners by 2.5% to meet increased service costs from April 2022. The Board also received assurance from financial modelling that the service would be sustainable, in its current form, for the next three years.

North Hertfordshire District Council fees for 2022/23 are £86,165. This sum is payable quarterly.

Staffing

The full complement of SAFS in 2022/23 will be 21.6 FTE.

North Hertfordshire District Council will have exclusive access to 1 FTE Counter Fraud Officer (Investigator), access to intelligence functions, data-matching services being offered through the Herts *FraudHub* (hosted by Cabinet Office) and can call on SAFS management for liaison meetings, management meetings and three Audit Committees reports per annum. An Accredited Financial Investigator is also available to assist in money laundering or proceeds of crime investigations.

SAFS has access to specialist IT forensics, covert surveillance and national counter fraud intelligence services provided via third parties and criminal litigation services provided by Hertfordshire County Council Legal Service.

SAFS will also provide alerts (local and national) to Council officers and senior management of new and emerging fraud risks through its membership of anti-fraud forums and specialist providers including the Fighting Fraud and Corruption Locally Board (FFCLB) the Credit Industry Fraud Avoidance Service (CIFAS), Certified Institute of Public Finance and Accountancy

(CIPFA) Finance, National Fraud Intelligence Bureau (NFIB), Fraud Advisory Panel and the National Anti-Fraud Network (NAFN). SAFS has officers on the various Board for CIFAS & NAFN.
