**(B) Impact of Waste Service Design on rural communities**

Councillor Ralph Muncer to Councillor Amy Allen (Executive Member for Recycling and Waste Management):

*"What steps will be taken to ensure Rural Communities such as Kimpton and Codicote are not disproportionately and adversely impacted by the proposed Service Design Changes pertaining to the new Waste Contract? I'm particularly concerned about the impact on rural communities surrounding the removal of 30% of litter bins outside of town centres as well as the bulky waste collection service being reduced."*
