Officer Summary			
<p>The Rotary Club of Hitchin Tilehouse are applying for funding for the Youth Showcase, after the first successful event in 2023. It is an event where groups and organisations for young people can showcase what they offer to get new members and volunteers. For example, last year the Scouts got over 20 names from adults who were interested in becoming leaders.</p> <p>It will be held in the Market Place, Hitchin on 28th September 2024. Funding would go towards the facility (space rental/gazebos/tables) and sound tech.</p> <p>They have a commitment to young people and their future, and believe this makes good use of a community space to bring people together. Also, that it engages young people locally and shows to residents that this is a place that cares and puts people first.</p> <p>They are putting £150 towards the project through income generated from fundraising and donations.</p>			

*Funding will only be released on receipt and approval of all supporting documentation
