3 Policy Amendments (IA and JT)

The Conflicts of Interests Policy has been updated and has already been reviewed by three Statutory Officers and Leadership Team. The aim is to make the policy more user friendly and we would welcome any feedback from SCF. The goal is to publish the amended policy in the New Year.

The existing policy includes a number of different forms for various scenarios e.g. budget, external work and private interests. The updated policy will be simplified to include a single form covering all scenarios.

Q Would the form need to be completed for volunteering at a Charity for one day?

A The form should be completed in all circumstances and we can make the policy more explicit to cover this.

Q Could MS forms be a consideration?

A There will be conversations outside of this meeting on how to make the form more user friendly and possibly digital.

Q The form will need to be accessible to external parties for recruitment.

A We are exploring ways this could work.

HR and Employee Wellbeing Update (IC in RW's absence)

Personal development morning on Friday - no specific topic but a good opportunity to review and catch up on any outstanding learning on GrowZone.

We have two new starters in the HR Team – Georgie (who has transferred from CSC) and Ruby. If anyone is unsure who we are, details including photos, are available on the Hub [Human Resources - Home](#). Anyone in the team will be happy to help/ answer questions, but if in doubt, email Hrhelp.

Neurodiversity network - we have our first session on 12 December. This will be an informal group for staff to share experiences, support or information about neurodiversity.

Upcoming productivity workshop - 16 January – a really great online session and we would encourage everyone to take a look when the details are announced.

A reminder that some find the festive period difficult. It's important to look after your mental health and look out for others – there is various support available on the Hub.
