RATIONALE FOR DECISION	<p>1. In coming to its decision, the Sub-Committee has listened to the comments addressed by both parties at this review hearing. The Sub-Committee is mindful to strike a healthy</p>

	<p>balance between the applicant of the review, the supporting parties and the premises licence holder to support their business.</p> <ol style="list-style-type: none"><li data-bbox="550 353 1418 741">2. In addressing the public nuisance licensing objective, Members have taken a balanced approach and have considered the close proximity of the premises and the local residents. Members are satisfied that by varying the hours for the licensable activity of the recorded music (indoors and outdoors) and live music (indoors and outdoors), this will address many of the concerns raised within the representations.<li data-bbox="550 779 1418 1317">3. Members had regard to evidence given by the Applicant and those supporting the review in relation to unactioned complaints logged via the hotline relating to noise. In response, the premises licence holder indicated this was due to them addressing a traffic/pedestrian issue at the conclusion of an event. Members are satisfied that the decision to reduce timings for recorded and live music will address the public safety (dispersal), public nuisance and protection of children from harm licensing objectives. It is also anticipated that this will give the applicant and local residents more certainty and clarity over noise cessation.<li data-bbox="550 1355 1418 1525">4. Members have had regard to all the issues submitted as part of the review and submits that the earlier cessation in recorded and live music will address many of the concerns raised within this review application.<li data-bbox="550 1563 1418 1845">5. Members have noted the concerns raised with regard to traffic management, which has been heard and acknowledged by the Premises licence holder and it is hoped that further consideration will be given upon each planned event to minimise disruption to the applicant and local residents.

COMMENCEMENT DATE	<p>This decision will come into effect from the end of the period for appealing the decision (21 days starting tomorrow) or, if the decision is appealed, the point at which the appeal has been dealt with by the Magistrates' Court.</p>
RIGHTS OF REVIEW	<p>At any stage, following the grant of a premises licence, a responsible authority, such as the Police, or any other person, such as a resident living in the vicinity of the premises, may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives. The review is a request for the Council to look at the existing licence and decide whether its conditions are adequate to meet the four licensing objectives defined under the Licensing Act 2003.</p> <p>Ordinarily, a further review would need to focus on matters at the premises following this review, it should not be used to re-visit issues raised at today's hearing.</p> <p>The licensing authority can refuse a further review on the grounds that it is repetitious</p>
