TITLE OF REPORT: NOTICE OF MOTIONS

The following motion has been submitted, due notice of which has been given in accordance with Standing Order 4.8.12.

Action on Fly-tipping

To be moved by Councillor Ralph Muncer and seconded by Councillor Joe Graziano

Fly-tipping is a blight on our towns and villages which causes damage and pollution to the local environment, endangers public health and results in the perception of an area shifting from one that is looked after and protected to one of neglect and decline.

It's a crime which incurs significant cost to the taxpayer, with the Hertfordshire Waste Partnership estimating Councils across the county are required to over £1 million every year to clean-up and investigate illegally dumped waste.

Rural communities are also disproportionately impacted by this crime with farmers, who already face increased hardship, often being required to pay thousands of pounds to remove fly-tipped waste from their land, and recently the National Farmers Union estimated the cost of rural crime in Hertfordshire, including fly-tipping, increased to £1.23 million.

Therefore, Council resolves:

- 1. To use the powers given to local authorities by the previous Conservative Government to increase fixed penalty notices issued by North Hertfordshire District Council for fly-tipping to £1000 as opposed to the current £400 fine.**
- 2. To instruct Officers to work on a public information campaign to increase awareness of the SCRAP code, as well as the steps members of public should take to report fly-tipping to the Council.**
- 3. To adopt a policy to name offenders who are convicted of fly-tipping in Council Press Releases.**
