# Annual Governance Statement 2024-25

[www.north-herts.gov.uk](http://www.north-herts.gov.uk)

# Introduction

North Hertfordshire District Council (NHDC) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

NHDC also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

In discharging this overall responsibility, NHDC should have proper arrangements for the governance of its affairs in place. It is legally required to review arrangements and prepare an Annual Governance Statement ('AGS'). It should prepare this Statement in accordance with proper practices set out in the Chartered Institute of Public Finance and Accountancy (CIPFA)/the Society of Local Authority Chief Executives and Senior Managers (SOLACE) Delivering Good Governance in Local Government: Framework 2016.

This AGS explains how NHDC has complied with these requirements. The Finance, Audit & Risk (FAR) Committee Members have been informed of progress on producing this AGS and will review it and evaluate the robustness of the underlying assurance statements and evidence. FAR Committee approves the final AGS and monitors the actions identified.

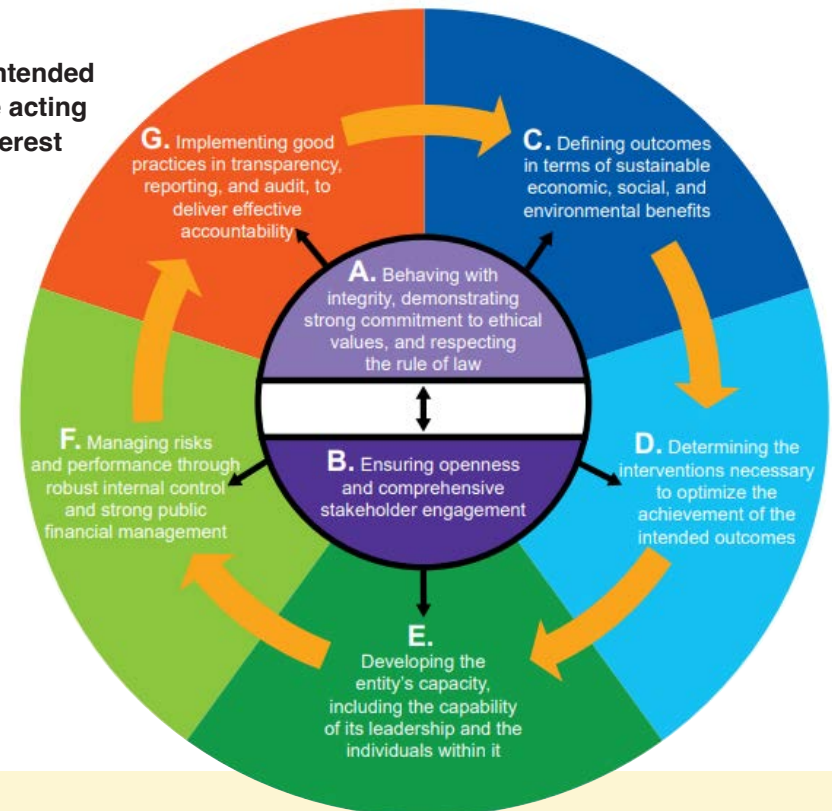

# Delivering good governance

The Governance Framework comprises of systems, processes, culture and values, by which the authority is directed and controlled. It enables NHDC to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate services and value for money.

The Delivering Good Governance in Local Government: Framework (CIPFA/Solace, 2016) applies to AGS prepared for the 2016/17 financial year onwards. The Principles are further supported by examples of what good governance looks like in practice.

The Principles are set out in the diagram below:

**Achieving the intended outcomes while acting in the public interest at all times**

## Key Elements of the Governance Framework:

---

- Council, Cabinet and Strong Leader model that provides leadership, develops, and sets policy.
- A decision-making process that is open to the public and decisions are recorded / available on the NHDC website.
- An established Shared Internal Audit Service (SIAS) that undertakes detailed reviews.
- Risk Management and performance procedures that enable risks to be identified and these to be monitored by the Leadership Team and Members on a quarterly basis.
- Overview & Scrutiny (O&S) Committee reviewing performance and policies.
- An effective FAR Committee as the Council's Audit Committee that reviews governance and financial arrangements.
- The Council has a strategic officer leadership team which meets weekly. This includes the Head of Paid Service (Managing Director) and Service Directors (which includes all statutory officers).
- The Statutory Officers also meet quarterly.

## How the NHDC complies with the 2016 Governance Framework:

---

### NHDC has approved and adopted:

- a [Local Code of Corporate Governance](#) in March 2025 which incorporate the Framework 2016 Principles.
- a number of specific strategies and processes for strengthening corporate governance.

Set out below is a summary of some of the central ways that NHDC complies with the 2016 Framework Principles. The detailed arrangements, and examples are described / links provided in the Leadership AGS self-assessment document on the [Corporate Governance page](#).

**Principle A: Behaving with integrity, demonstrating strong ethical values, and respecting the rule of the law**

### What NHDC has or does:

- Operates Codes of Conduct for Members(refreshed LGA model adopted in April 2021 and effective after the 2021 election) and Employees,maintaining arrangements for sign off of these, awareness of key policies and reporting / investigating any allegations of breaching those Codes. - The Council has a Member Training Protocol which sets out which elements of training are compulsory. The training programme was reviewed in anticipation of the 'all out' elections which took place in May 2024 and was delivered following this election.
- Complaints concerning employees are dealt with according to the Managing Misconduct Policy, and/or Employment Procedure rules for officer (for relevant officers will also potentially involve the Independent Person Panel, Employment Committee and Full Council).

# How the NHDC complies with the 2016 Governance Framework:

The Independent Persons (IP) are invited to attend the meetings of the Standards Committee. The Committee oversees the Complaints Handling Procedure and Final Determination Hearings through a Sub-Committee. The Chairman of Standards Committee provided an annual report to Full Council in July 2024. This is designed to promote shared values with Members, employees, the community and partners.
- The Council's Constitution includes a scheme of delegation and terms of reference for each of the Council's Committees, and decision-making practices are outlined. The Council's Constitution is reviewed annually and often in-year as issues arise. Constitutional amendments were made in April and September 2024, when amendment reports were taken to Full Council. Further to this, the Monitoring Officer and Chief Finance Officer were authorised to make the necessary amendments to the Council's Constitution following changes to the Leadership Team and Senior Management structure which were approved by Full Council in February 2025.

After consulting the Managing Director and Chief Finance Officer (CFO) the MO has a statutory duty/power to report any proposal, decision or omission that he/she considers would give rise to unlawfulness or any decision or omission that has given rise to maladministration ("Section 5 report"). The MO is responsible for providing advice on ethics and governance to the Standards Committee and to the Members of this Council. The MO/ or Legal advisor attends Full Council, Cabinet, and regulatory Committees - such as Planning, Licensing and Standards to be on hand to provide advice. A Finance Officer attends Full Council, Cabinet and FAR Committee. Legal services/The MO maintain records of advice provided.
- The Council's CFO (s151 Officer) has a duty to the Council's taxpayers to ensure that public money is being appropriately spent and managed and reports directly to the Head of Paid Service. The CFO ensures that appropriate advice is given on all financial matters, is responsible for keeping proper financial records and accounts and for maintaining an effective system of internal control.

# How the NHDC complies with the 2016 Governance Framework:

---

- All Committee reports and delegated decision templates have required areas for legal advice (as well as Finance, Risk, Social Value, and Equality and Environmental Implications requirements). The Growth Board is the vehicle in which the county is working together to manage future growth and support economic recovery. It has developed its 6 new missions, one of which is Sustainable County. The HCCSP is specifically mentioned within this mission in relation to various action around sustainability, and is given a particular remit around developing a Local Area Energy Plan for Hertfordshire and developing a retrofit strategy.

- Councillor Surgeries, Community Forums and Environment Panel meetings are held virtually via Zoom to ensure continued openness and engagement with residents. Area Forums can meet virtually, hybrid or a set location.

## Principle C: Defining outcomes in terms of sustainable economic, social and environmental benefits

### What NHDC has or does:

- The Council has a Council Plan approval / review process, and its vision is based on partnership aspirations. The Priorities of the plan are Thriving Communities, Accessible Services, Responsible Growth and Sustainability. These provide the foundations for the Service planning process, and officers are required to indicate on their reports which priority the report relates to. Delivery is monitored through detailed Senior Management, Committee and Executive Member / Member procedures.

- [The Council Delivery Plan](#) supports the delivery of the Council Plan. It is set in March each year and then monitored and reviewed quarterly at the Overview & Scrutiny Committee. It sets out the key projects the Council is looking to carry out during the year and shows key risks and performance indicators.
- The Equality, Diversity and Inclusion Strategy contains four equality objectives and contributes towards the Council's vision of equality and diversity [\[Equality and Diversity page\]](#). The Strategy was revised in December 2022.
- The Climate Change Strategy contains objectives and actions which guide the council's approach to dealing with climate and sustainability issues. The overarching objectives relate to Net Zero targets for the council's operations and the district, and ensuring council services as well as the district are resilient to the impacts of climate change. The new Sustainability Strategy will cover a broader scope of themes to align with the new Council Plan priorities.

# How the NHDC complies with the 2016 Governance Framework:

---

- The Council's process for assessing Environmental and Equality Impacts. Report templates include sections on Equality and Environmental Implications which officers must consider and comment on. Where significant implications are considered likely, a fuller Impact Assessment form must be completed to understand the impacts in more detail and plan for mitigative action. Equality and environmental issues are therefore monitored through the report / decision making process and an Annual Cumulative Impact Assessments 2023-24 which can be found on the [Equality and Diversity webpage](#), and on the [Climate Change webpage](#).

## Principle D: Determining the interventions necessary to optimise the achievement of the intended outcomes

### What NHDC has or does:

- Decision making is effectively delegated through the Constitution (to Council, Committees, Cabinet, Executive Members and

Officers). The Council has a set report / delegated decision template and guidance on how to complete these, which include standard areas such as an 'options' appraisal called "Alternative options considered" and risk analysis assists with optimising outcomes.

- The Council has a Risk Management Framework, and Service Managers have to identify threats to service delivery/performance in their own areas, when undertaking projects, letting contracts, formulating or introducing new policies and engaging in partnership working. This is part of the [Risk Management Framework - Strategy \(north-herts.gov.uk\)](#) These are recorded on the Risk Register and monitored through the Council's Ideagen performance/risk management system available to Councillors and staff. Project management lessons are logged and detailed in a Corporate Lessons Log, which is available on the intranet. Corporate risks are reported to the Overview and Scrutiny Committee on a quarterly basis. The [Finance Audit and Risk Committee](#) receive reports to provide assurance over risk management processes.

- The Council's Financial Regulations [\[Constitution webpage – see Section 19\]](#) are an essential part of risk management / resource control for delivery of services (whether internally, externally or in partnership). The Medium- Term Financial Strategy (MTFS) is reviewed annually to set an indicative 5-year financial plan for the longer term strategic vision as well as a detailed one year budget. The MTFS and annual budget are prepared in line with the agreed Objectives and Council Plan. Budget workshops are provided to Political groups prior to budget setting/ budget approval, and this helps to optimise achievements.
- The Investment Strategy (integrated Capital and Treasury) was considered by Finance, Audit, and Risk in January 2024 and approved by Full Council on 29th February 2024.
- The Council's Procurement Strategy 2025-2028 is currently in the approval process to replace the previous short term 2023-2024 strategy. The strategy aims to put in place some of the Council's aspirations for the district as they relate to the Council plan.

# How the NHDC complies with the 2016 Governance Framework:

---

- The Council has a Community Grants Policy and during 2024/25 gave grants to organisations working to support children and young people, older people, mental and physical health and wellbeing, arts and leisure, sport, and the environment. The Assessment Criteria ensures that funding is allocated to projects or activities and areas that will have the most beneficial impact on the residents of North Hertfordshire.
- In July 2024 the Council awarded launched a one off North Herts Prosperity Fund as part of the UK Share Prosperity fund allocation for 2022-2025. £210,000 was made available to community groups/organisations to improve pride in place and increase life chances across the district, investing in communities and place, supporting local business, and people and skills, all applications were assessed according to a criteria.
- The Council has an Investment Plan for the Shared Prosperity Fund which sets our proposals around improving town centres, supporting local businesses, and developing health and wellbeing initiatives, and capacity developing in the VCFSE sector.

- The Council has allocated government funding for [homelessness prevention services and interventions](#).

## Principle E: Developing the entity's capacity, including the capability of its leadership and the individuals within it

### What NHDC has or does:

- The Council recognises the importance of employees, planning recruitment and development. Following the pandemic, the focus of HR strategy work has been on adapting to new ways of working and making this work for the Council and for staff. Issues around employee engagement and retention have also increased. To help address that we are looking at our staff benefits and our recruitment processes.
- Members and employees engage in various groups and benchmarking initiatives. These assist the Council in analysing/ improving its

capability, such as the County Benchmarking, HR Salary benchmarking, Sport England's National Benchmarking service and Customer Services.

- The Council also considers and participates in Shared Service/ commercial ventures to develop services and resilience, such as the CCTV Partnership, the Local-Authority Building Control Company, Hertfordshire Building Control, and has been a Lead authority developing the Herts Home Improvement Agency and shared Waste service with East Hertfordshire District Council. It has its own private holding company – Broadwater Hundred Limited, set up as a contingency matter.
- The Leader is part of Herts Leaders Group, East of England Leaders Group and County wide Growth board, has weekly Managing Director/ Leader Briefings. Political Liaison Board (PLB) meetings are held, and opposition Member/ shadow Member briefings provided by the Managing Director /Service Directors and other senior officers.

# How the NHDC complies with the 2016 Governance Framework:

---

- Weekly Leadership meetings are held where ongoing issues are discussed and during monthly business meetings, Policy, Projects, Performance and Risk are (amongst other things) monitored. The Council encourages close working liaison between Senior Officers and Executive Members.
- Statutory officers meet regularly with political leaders where relevant standard issues are raised. Service Directors convene monthly briefings with relevant Executive Members.

- The Inclusion Group considers staff experiences and looks to drive forward the equality, diversity, and inclusion agenda within the Council. It also receives feedback from HR on the gender pay gap. A subgroup of the Inclusion Group has been formed to further consider the gender pay gap and actions for reducing it. The subgroup first convened in

September 2023 and continues to report their progress to the Leadership Team.

- Staff Learning and Development sessions have been instituted on the morning of every first Friday of each month. These are a mixture of themed and non-themed sessions to enable them to be used by teams or individuals to focus on an area of development most useful for them. The Values of the organisation were revised in 2022. The values shape how we aim to act as an organisation. They are:  
**TOGETHER:** We work together and support  
**LISTENING:** We listen to and consider the views of each other, our partners and our customers  
**LEARNING:** We learn from others and are open to change  
**ADAPTABLE:** We are adaptable in finding solutions for each other, our partners and our customers.  
**INCLUSIVE:** We are inclusive and value diversity
- The Recruitment & Selection Policy was last reviewed and updated in 2020/21 as part of the policy review process. This is currently under review.

## Principle F: Managing risks and performance through robust internal control and strong public financial engagement

### What NHDC has or does:

- The Council has extensive mechanisms in place to manage risk and performance, for example, through the Risk Management Team/ Group/Member Champion and the Risk Management Policy Statement, the Risk Management Framework Policy, and operational guide. The Ideagen system supports the logging/monitoring process by identifying performance indicators, individual risks and relevant 'ownership'. These are reported to Leadership Team and O&S Committee and Cabinet for transparency, and in Cabinet's case, overall management purposes. The Risk Management framework is embedded across all service areas and helps to inform decision making. The Risk Management Strategy is reviewed regularly and most recently was revised and approved by Cabinet in January 2025.

# How the NHDC complies with the 2016 Governance Framework:

---

- SIAS' [Annual Assurance Statement](#) was delivered to Finance, Audit, and Risk Committee in June 2024. SIAS provided an overall assurance opinion of Reasonable Assurance. They also concluded that the corporate governance and risk management frameworks substantially comply with the CIPFA/SOLACE best practice on corporate governance.
- The council maintains a Data Sharing Statement to ensure that information is handled and dealt properly when collected, recorded and used. This data handling is treated lawfully, correctly and adheres to the Data Protection Act. The Council has a Data Sharing Protocol which provides a framework for the Partner Organisations for the regulation working practices between Partner Organisations and is in accordance with the ICO's data sharing code of practice.
- Certain Service areas have their external emails encrypted by default (Housing, Revenues and Benefits, Systems Technical (Revenues and Benefits), Cashiers and Careline). Encryption occurs automatically when sending emails to certain domains, and the list of domains included on this list is

reviewed regularly. Employees/ Members are instructed to encrypt an email if sending private, sensitive or confidential information to an external email address.

- The Council has a designated data protection (DPA) officer – the Revenues Manager and Data Controller is the Service Director - Customers [DPA - website Contacts information](#)

**Principle G: Implementing good practises in transparency, reporting and audit to deliver effective accountability**

## What NHDC has or does:

- The Council's 'Outlook' Magazine is provided to all households in the District and is available on the Council's [website](#). It contains information about the Council's services and events, distributed biannually (Summer and Winter Edition).

- SIAS undertake numerous planned audits (additional on request) and presents quarterly progress reports against these. An Annual Assurance Opinion and Internal Audit Annual Report is presented to the first FAR Committee of each civic year outlining the work undertaken in the previous civic year. Based on the internal audit work undertaken at the Council in 2023/24, SIAS provided an overall assurance opinion of Reasonable for the adequacy and effectiveness of the Council's control environment. This [Annual Assurance Statement was](#) delivered at the June 2024 FAR Committee meeting.
- On an annual basis SIAS is required to undertake a self-assessment of its conformance with the requirements of the Public Sector Internal Audit Standards (PSIAS). [Annual Assurance Statement and Annual Report 2023-24 presented in June 2024](#). The report found that SIAS generally conformed to the required standards; and that the external quality assurance assessors also held that SIAS conforms with the standards. An external review is required at least once every five years and this last took place in June 2022 and was reported at the December FAR meeting.

## How the NHDC complies with the 2016 Governance Framework:

---

- In September 2024 SIAS presented their annual report for 2023/24 to FAR committee which highlighted that they had delivered 94% of planned days against a target of 95% and had issued 91% of audits in draft against a target of 90%. This was nevertheless a good outcome in view of recruitment and retention pressures. The last [Internal Audit Progress Report](#) of 2024/25 was delivered in February 2025 and reported that as of 17th January 2025 71% of the Internal Audit Plan Days had been delivered.
- The CFO follows: the CIPFA Code of practice on local authority accounting in the United Kingdom for each year and the CIPFA Statement on the role of the Chief Financial Officer in Local Government 2016 by ensuring that the financial statements are prepared on a timely basis, meet legislative requirements, financial reporting standards and professional standards as reflected in CIPFA's Code of Practice.
- External Auditors provide key timetabling/ stage of audit reports to FAR Committee (Audit Fee Letter, Audit Plan, testing routine procedures, Audit on financial statement and value for money conclusions/Audit completion certificate and Annual Audit Letter).

## Review of Effectiveness:

---

- The Council uses a number of ways to review and assess the effectiveness of its governance arrangements. These are set out below:

### Assurance from Internal and External Audit

- One of the fundamental assurance statements the Council receives is the Head of Internal Audit's Annual Assurance Opinion on the work undertaken. During [24/25 SIAS](#) reported on 24 areas of which 1 received a Substantial assurance, 13 a Reasonable assurance, 3 a limited assurance, 3 not assessed, 3 unqualified, and 1 not complete. The limited assurance opinions related to Churchgate Landlord Compliance, Estates, and Agency Staffing, with three high priority recommendations being made. An overall assurance opinion of Reasonable Assurance was given, meaning a generally sound system of governance, risk-management, and control is in place. Further details can be found in the [Annual Assurance Statement and Internal Audit Annual Report 2023/24](#).
- In the Annual Assurance Statement and Internal Audit Report 2023/24, reported to FAR Committee in June 2024, SIAS concluded that

the corporate governance and risk management frameworks substantially comply with the CIPFA/SOLACE best practice guidance on corporate governance. Recommendations are in the process of being actioned and outstanding ones will be taken forward and monitored through reports to FAR Committee.

- As part of the Corporate Peer Challenge recommendations, a Scrutiny Charter has been developed and adopted by Overview & Scrutiny Committee in September 2024 to define what scrutiny is and ensure meetings of the committee are conducted with independence, initiative, and integrity
- The Council's external auditors provide assurance on the accuracy of the year-end Statement of Accounts, the consistency of the Annual Governance Statement and the adequacy of value for money arrangements. In 2024, Ernst & Young (EY) provided a completion report for 2022-2023. The Accounts and Audit (Amendment) Regulations 2024" (the SI) imposes a backstop date of 13 December 2024 by which date EY are required to issue their opinion on the financial statements, they have considered whether the time constraints

# Review of Effectiveness:

---

imposed by the backstop date mean that they cannot complete all necessary procedures to obtain sufficient, appropriate audit evidence to support the opinion and fulfil all the objectives of all relevant ISAs (UK). EY stated that they would be issuing a disclaimed opinion on the 2022/23 accounts, as they will not be carrying out any significant audit work.

- [The Annual report](#) for the 2021-22 year was presented to FAR Committee in September 2023. The report was generally positive, with Ernst & Young issuing an unqualified opinion on the Council's financial statements. The report did not identify any risks of significant weaknesses in the Council's value for money arrangements for 2021-22

## Assurance from self-assessment

- The review of effectiveness is informed by the work of the Senior Managers within the authority who have responsibility for the development and maintenance of the governance environment. Each Service Director is responsible for producing their own assurance statements and where relevant for mitigating identified risks and governance

weaknesses as part of the Service Planning process. The areas of governance reviews include but is not limited to: legislative compliance, project management, risk management, conduct, and conflicts of interest.

- [The Council Delivery Plan](#) highlights key projects to support achievement of our Council Plan.
- Leadership Team is composed of the Managing Director and the Service Directors and meetings are chaired by the Managing Director. The AGS self-assessment follows the CIPFA/ SOLACE recommended self-assessment process of reviewing the Council's arrangements against the 2016 Framework Principles/sub-principles and providing examples. This is usually undertaken during March - June and taken to a Leadership Team meeting so that Leadership can confirm satisfaction that the appropriate governance arrangements are in place. The AGS Action Plan is developed to work on areas for governance improvement. The detailed AGS self-assessment is available on the Corporate Governance page 4 .

## Assurance from Risk Management

- Projects, risks, and performance indicators have been amalgamated into the Council Delivery Plan which is taken to Overview & Scrutiny Committee each quarter. This is to ensure a more integrated corporate approach. In the Mid-Year Risk Governance update reported to Finance Audit and Risk Committee in January 2024, the top risks (scoring a 9 on the risk matrix) for the Council were Waste and Street Cleansing Procurement; Financial Sustainability; and Resourcing. Other risks scoring highly on the matrix (8s) are: the Churchgate Project; Leisure Centre Decarbonisation; and Cyber Risks.
- **Financial Sustainability** is an ongoing top risk which is reported through the Council Delivery Plan. The MTFS, budgets and capital programme are, however, noted as soundly based and designed to deliver the Council's strategic objectives.

# Review of Effectiveness:

---

- **Resourcing** has remained as a score of 9 on the risk matrix, having previously been rated as an 8 in 2022/23. It refers to issues around additional tasks/actions and the knock-on impact this may have on delivery of projects within the Council Delivery Plan. It also refers to staff shortages and difficulties in recruiting to some areas.
  - The risks around the **Waste and Street Cleansing** Procurement include costs being over budget, and the Government's Resources and Waste Strategy differing from the specification.
  - **The Churchgate project** refers to plans to regenerate a shopping centre and the surrounding areas. It is a high-rated risk, with the risk relating to the affordability of the regeneration, and the possibility of failing to meet the expectations of stakeholders.
  - **Cyber Risks** refers to the possibility of disruption to or failure of IT systems and infrastructure as a result of breaches of cyber security, resulting in inability to deliver projects/ services.
  - The risk around **Leisure Centre Decarbonisation** is around delivery of the works within the timeframe required by Salix, due to the large grant fund contribution, as well as potential additional costs during the course of the works.
- Assurance from Complaints outcomes Local Government Ombudsman (LGO):**
- The Council reports complaints to Leadership and O&S. The summary for the full period 2023/2024 was presented at the June 2024 Overview and Scrutiny meeting. The summary indicated that the number of complaints received by both the Council and our contractors decreased from 4173 in 22/23 to 384 in 23/24. Of the total 384, 2052 (53.46%) relate to services delivered by our key contractors. The LGO received 5 complaints during the 2024/25 period. These cases are shown in the LGO's Annual Review Letter. 2 of the 5 were upheld by the LGO, however 2 of the 5 had already been remedied by the council.

## Standards complaints involving Councillors

- An update on Member complaints was given to the Standards Committee in a report delivered by the Service Director for Legal and Community in March 2025. During the 2024 calendar 19 complaints against members were received. This was an increase compared to 2023, where 11 complaints had been received, this remains lower than 2022 and 2021 where 30 and 50 complaints were received respectively. At the time of the report, it was noted that 4 complaints had been received so far during 2024.

## Whistle Blowing Complaints

- In line with the published Whistleblowing Policy, we received one complaint / concern during the 2022-23 period. A concern was raised that a member of staff had allegedly committed an act of wrongdoing externally.
