Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The primary use of the premises shall be as an Ice Skating rink and not as a public house or predominantly as a drinking establishment.
All staff will be provided with training in relation to the licensing objectives that are commensurate with their duties. This will include the individual's responsibilities, checking for age verification of customers and licensing offences which they must be aware of.

Details of the training will be recorded in their personnel training file. Our internal management system will be used to record any incidents that are pertinent to the licensing objectives, including refusals of sale of alcohol, disturbance, crime or disorder. This electronic log shall be kept available for inspection at the premises for a period of no less than 12 months from the date of last entry.

b) The prevention of crime and disorder

Our CCTV system will be operational throughout the Ice Rink Season. The agreed system will be maintained and operated at all times the premises are open to the public.
The system shall cover all areas to which the public have access (excluding toilets) including entrances and exits. Images shall be kept for a minimum of 31 days from the date of recording. The images will be produced to an authorised Police employee in a readily playable format immediately upon request to our data controller at our Head Office and will then be available to collect when the premises are open and at all other times as soon as reasonably practical. There will be sufficient staff training to facilitate the above.

c) Public safety

All safety matters at the premises are adequately covered by statutory provisions such as The Health and Safety at Work (etc) Act 1974 and The Regulatory Reform (Fire Safety) Order 2005.

Each session available for Ice Skating can allow 100 customers on to the premises. There should be no more than 200 customers on the site at any one time.

d) The prevention of public nuisance

The licensee shall ensure that no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a public to local residents. Any loudspeakers used are mounted to the truss of the marquee. There will be no live music being performed during this opening period. All external doors will be kept closed during the opening times except the Front Door which will be manned by a colleague for access and exit.

Our internal management system will be used to record any incidents that are relevant to the licensing objectives, including refusals of sale of alcohol, disturbance, crime or disorder. This electronic log shall be kept available for inspection at the premises for a period of no less than 12 months by an authorised officer of the licensing authority on request. Refuse, such as bottles, shall not be placed into receptacles outside the premises between 21:00 hours and 09:00 hours in order to minimise the disturbance to nearby properties.

e) The protection of children from harm

A challenge 25 scheme will be adopted in compliance with the age verification condition. Customers who appear to be under 25 years of age will be required to prove their age when purchasing alcohol. Suitable forms of identification will be:

- Passport
- 'pass' card
- Photographic Driving Licence
- Other identification recognised by the licensing authority in its statement of licensing policy.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
