

Decision Notice – Standards Sub-Committee – 4 March 2026

The Standards Sub-Committee meeting scheduled for Wednesday 4 March 2026 has been withdrawn.

Following publication of the agenda, an apology was received from Councillor Chris Lucas. The external Deputy Monitoring Officer, having consulted with the Independent Person in accordance with the Council's Complaints Handling Procedure, confirmed that the proposed informal resolution had been achieved.

In light of that confirmation, the matter no longer required determination by the Standards Sub-Committee and the hearing was withdrawn.

The complaint is therefore concluded.
