TITLE OF INFORMATION NOTE: PEOPLE STRATEGY UPDATE
INFORMATION NOTE OF THE CORPORATE HUMAN RESOURCES MANAGER

1. SUMMARY

- 1.1 To update the Joint Staff Consultative Committee on the progress made in the last quarter on the People Strategy 2015 – 2020 which covers the Workforce Development needs.

2. STEPS TO DATE

- 2.1 The People Strategy Information Note contains the 2018/19 HR Service Work Plan.

3. INFORMATION TO NOTE

- 3.1 Progress against the People Strategy is reported to all quarterly JSCC Meetings. Attached at Appendix B is the HR service work plan, taken from the HR Service Plan for 2018/19. The terms of reference for the Joint Staff Consultative Committee are to be the corporate interface with employees on major Human Resources issues and to be the Strategic HR Forum for NHDC Members. HR projects do require support from other support services such as IT, Finance, Legal Services and others.

3.2 Recruitment

Recruitment has been busy over the summer period.

Our online recruitment system is continuing to prove successful and has overall improved our recruitment process primarily with managers being able to shortlist online.

3.3 Apprentices

We are currently recruiting a number of apprentices across the Council these include some higher level apprentice posts. We expect to have 8-10 apprentices recruited in the Autumn.

3.4 **Equal Pay and Equalities**

A working group has been formed to consider actions to reduce the Council's current gender pay gap as identified by the figures for 2017 submitted at the end of March 2018. An action plan will be produced and will serve as the narrative for the submission of the 2018 figures in March 2019.

Work has commenced on the Equal Pay Review with the data having now been produced and analysed. The Report from this review will be discussed as a separate JSCC Agenda item.

3.5 **Pay and Benefits**

3.5.1 **Pay**

The Pay Policy Statement (PPS) for 2018/19 has been published on the Council's website due to the senior manager restructure and pay award the PPS has been updated showing the new senior manager structure, new median pay differentials and new pay rates.

The current contract with Serco under a Framework Agreement which includes Payroll Services has been extended until March 2020. This extension will give sufficient time to select the appropriate approach to HR and payroll service delivery from April 2020.

3.5.2 **Benefits**

The current contracts for the provision of EAP and OH services to the Council expire on 31st March 2019. A review is being undertaken as to how these services will be provided to NHDC from that date and a number of options are under consideration. HCC are currently procuring a Framework Agreement for the provision of both OH and EAP services and have invited NHDC to be named in this. This will allow the Council to draw down from this Framework once it has been established but does not commit NHDC to using the services on offer.

3.6 **Learning and Employee Engagement**

Following the Investors in People interim review of the Council, The Learning and Employee Engagement team are working with the Deputy Chief Executive to clarify the organisational values and behaviours which will enable us to simplify the competency frameworks.

We are also currently working with the new Senior Management Team to ensure that the future Leadership Development programme meets their needs and is in line with the new simplified values and behaviours. This programme will be made up of a number of different workshops and will start in the autumn.

3.7 **Regular Performance Review**

The current round of Regular Performance Reviews is now complete and the learning needs have been collated. Further work is required in the coming year to develop RPR so that it fully integrates with the process of regular one to one discussions. From the 2019 cycle, we are looking at making the RPR process on-line via the GROW zone.

3.8 **Organisational Restructures**

The HR team are currently supporting a number of restructures as services are changed to align to the new structure. This involves a lot of work including job evaluation, individual and group consultation, assisting managers managing redundancy and HR processing documents for changes to contract and system changes for pay and reporting structures.

The Learning and Development team are continuing to develop activities that support organisational change under the heading of 'Meeting the Challenge'. A Change Management workshop was recently run for SMG and training workshops have been arranged to develop commercial awareness and skills. Further workshops designed to support staff through organisational change are planned for 2018/19.
