

APPENDIX

D

Conditions agreed between the applicant and NHDC Environmental Protection

1. The Designated Premises Supervisor (DPS) or some other responsible person shall manage, where necessary, the external areas of the premises and the dispersal of patrons from the premises to ensure that noisy or rowdy behaviour is prevented and therefore noise disturbance to local residents is minimised.
2. Clear and legible notices shall be displayed at all entrance and exit points and external areas of the premises requesting patrons to respect the needs of local residents and to keep the noise to a minimum.
3. All windows and external doors to the premises shall be closed at all times after 23:00 during live and recorded music constituting regulated entertainment except for ingress, egress or in the case of an emergency.
4. The door leading onto the balcony which over looks the car park shall be closed at all times after 23:00 during live and recorded music constituting regulated entertainment except in the case of an emergency.
5. No glass bottles shall be emptied into the waste bins in the external areas of the premises between 22:00 and 09:00.
6. (a) A suitable environmental noise control device shall be installed in the premises, calibrated and set to the satisfaction of the Council's Noise Control Officer. The device must be set at an appropriate time in the presence of the aforementioned Officer. No amplified live or recorded music constituting regulated entertainment shall take place in first floor function room until this device has been installed and set in accordance with this condition.
 - a. (b) Once the environmental noise control device has been installed, calibrated and set to the satisfaction of the Council's Noise Control Officer it must not be removed, adjusted or replaced:
 - b. without twenty-eight (28) days prior notification to the Council's Noise Control Officer and;
 - c. without the written consent that the removal, adjustment or replacement of the device is permitted and that documentation stating this is received from the Council's Noise Control Officer.
 - d. (c) Following the receipt of the documentation stated above, all the requirements of the Council's Noise Control Officer must be carried out. Use of all noise equipment for amplified live or recorded music constituting regulated entertainment taking place in first floor function room is not permitted until such a time that the premises licence holder has received confirmation from the Council's Noise Control Officer that it is permitted.
 - e. (d) In the event of a malfunction of the environmental noise control device, the Council's Noise Control Officer shall be notified within two (2) working days of the problem and the remedial action proposed. No amplified live or recorded music constituting regulated entertainment shall take place in first floor function room until the environmental noise control device is properly functioning and, if appropriate, has been reset, calibrated and set to the satisfaction of the Council's Noise Control Officer and/or the Council's Noise Control Office has received and approved the necessary documentation confirming this.
 - f. (e) The environmental noise control device shall be secured in a manner approved by the Council's Noise Control Officer so as to prevent unauthorised access to and tampering with the controls.
 - g. (f) All noise equipment used for amplified live and recorded music constituting regulated entertainment in first floor function room must be routed through the environmental noise control device and this device must be operational during such licensable activities.
