

BIM AFOLAMI MP

HOUSE OF COMMONS

LONDON SW1A 0AA

13th March 2019

To whom this may concern,

I write to you today fully supporting North Herts District Council's application to the Future High Street Fund's to explore opportunities to revitalise Hitchin Town Centre.

Since becoming Member of Parliament for Hitchin & Harpenden in 2017, many constituents have addressed their concerns to me on the health of our local high streets and town centre. The vision outlined in this application to redevelop the core retail offer and diversify the town centre experience for all ages to create a Sustainable 21st Century Market Town is precisely what the town of Hitchin needs.

I thank you for your time in reading North Herts District Council's application and I look forward to your response.

Yours sincerely
