**Subject:** RE: Bim Afolami MP: Request for Support for Churchgate Redevelopment

Dear Jack

Last night Councillors considered the Churchgate Redevelopment at Hitchin and were supportive of improvements to revitalise the retail area. However, with a wry smile, we added that the local Hitchin to St. Albans 304 bus route must be retained to enable residents from the parish, who do not have access to private cars, to travel to the town.

Kind regards

*Carina Helmn*
