Dear Mr Wharton,

## CHURCHGATE REDEVELOPMENT

Thank you for your email to Codicote Parish Council dated 20<sup>th</sup> February 2019

At their Council meeting on Tuesday 26<sup>th</sup> February 2019 Parish Councillors considered the government's initiative to invest in redeveloping and revitalizing High Streets. Codicote Parish Council would fully support the MP pursuing an application to redevelopment the Churchgate area in Hitchin.

We very much hope that the application will be successful as we are sure that surrounding areas would also greatly benefit from it.

Please let us know if we can assist in anyway.

Yours sincerely,

Lorraine Ellis  
Clerk to Codicote Parish Council

Chairman:	Cllr Helena Gregory
Vice Chairman:	Cllr Bryan Hillan
