- Councillor Michael Weeks
- Councillor Paul Clark

It was proposed, seconded and upon the vote:

**RESOLVED:** That, application **18/02299/FP** be **REFUSED** planning permission, as per the Senior Conservation Officer's recommendations.

**REASON:** The principle of residential development on this site would harm the character and appearance of the Barley Conservation Area as it would result in the loss of the existing open land which represents a transitional area from the village fringe to the rural countryside and which commands an important role in providing the rural setting of the Barley Conservation Area. The proposal would therefore harm the special character of the Barley Conservation Area and to a lesser extent, the setting of 'White Posts' a grade II listed building. The in-principle harm would be further exacerbated by the poor standard of design included as part of this proposal, which would be at odds with the semi-rural, edge-of-village context and which would fail to provide a cohesive appearance and form of development. Although the degree of harm is considered to be less than substantial, the public benefits of the proposal do not outweigh the harm that has been identified and which has been afforded significant weight. As a consequence the proposed development is contrary to Policies 6 and 57 of the North Hertfordshire District Local Plan No. 2 - with Alterations, Policies SP5, SP9, SP13, D1, CGB1 and HE1 of the Emerging North Hertfordshire Local Plan 2011-2031 as Modified and Sections 12 and 16 of the National Planning Policy Framework 2018.

At the request of one of the Members, The Chairman announced that there would be a comfort break of five minutes.

Councillor Harry Spencer-Smith had called this application in to the Committee on the grounds of public interest.

The Principal Planning Officer advised Members that this was a Council application for relatively extensive extensions to what was a chalet bungalow and Planning Permission had not been granted. The presentation was supported by a visual presentation consisting of photographs, proposed roof, floor and elevation plans.

The following members asked questions of clarification of the Principal Planning Officer's presentation:

- Councillor Michael Weeks
- Councillor Michael Muir
- Councillor Paul Clark

## **78 PLANNING APPEALS**

*Audio Recording – Start time of Item – 9 minutes and 24 seconds*

The Principal Planning Officer presented the report entitled Planning Appeals and drew attention to the following:

### **68 Danescroft Letchworth:**

This appeal had been dismissed by the Inspector who agreed with the Officer's refusal to dismiss the appeal. The reason was due to the unacceptable appearance and established buildings around the area.

### **Land North of Mill Croft, Royston Road, Barkway:**

This appeal had been dismissed by the Inspector as the local plan had been adequately progressed. It was dismissed on the basis that the appeal site forms an important part of the character and appearance and the setting of Barkway.

### **The Cabinet in Reed:**

This appeal was dismissed by the Inspector on two grounds:

**Thursday, 13th December, 2018**

1. The Inspector suggested the ground could be viable therefore was not automatically considered
2. It would cause harm to part of the conservation area and the listed building itself.

**The Station in Ashwell:**

An appeal decision for the station in Ashwell was subject to a judicial review based on the Secretary of State's decision to discuss the appeal. An update was awaited.

In a final note, The Chairman announced that it was important that for those who were unable to attend, they must find a sub if possible. For all those Councillors who had not attended, only one sub was present at the meeting.
