The Sub-Committee felt that it was necessary to vary the times of the licensing activities with regard to the sale of alcohol and provision of live and recorded music to allow for drinking up time and clearance of the licensed premises by the end of the permitted opening hours. 3. The two conditions agreed during the hearing, listed in the section above entitled "Imposed Conditions Deemed Appropriate for the Promotion of the Licensing Objectives", were added because of the concerns of residents over public nuisance and crime and disorder.

**RIGHTS OF
REVIEW**

At any stage, following the grant of a premises licence, a responsible authority such as the Police, or any other person such as a resident, affected by licensable activities at the premises, may apply to the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives.

The review is a request for the Council to look at the existing licence and decide whether its conditions are adequate to meet the four licensing objectives defined under the Licensing Act 2003.

At a review hearing, the sub-committee has a range of options available, starting with no additional action progressing through to revocation of the licence.

INFORMATION NOTE

For transparency, the sub-committee place on record that an event day is any day when licensable activity (the sale or supply of alcohol, regulated entertainment or late night refreshment) take place.

For example, the sale of alcohol to residential guests on a Friday night, a wedding on the Saturday and a Sunday breakfast/brunch with alcohol would constitute three event days.
